

Website Name: The Sound Check

Description: The Sound Check is about the world of music. On, this website, you can explore various different artists and learn about different genres. You can also discover the latest music world news, as well as my personal music reviews. Lastly, there will be a chance to do a music quiz for users to discover what genre fits them best! This website is a great chance for the user whether experienced in the world of music or not, to discover, listen, and enjoy.
