

Johnathan is out with friends at a bar but they are bummed out that they had to spend so much just to get some drinks.

Some random guy comes into the bar like a savior, and says he found the best app to find cheap drinks.

Everyone looks at him shocked and don't believe him.

He pulls up the app to show everyone proof that cheap drinks exist.

Everyone, including Johnathan are happy and immediately download the app

There is one person who is not happy; the bartender. He has lost his customers for drinks now.
